

# Glaramara

Lake District Outdoor Activities  
Borrowdale Valley, Keswick CA12 5XQ

Mark a special occasion or run an event  
by hiring the Glaramara Centre as your venue

## The Venue

Following its recent refurbishment and modernisation the Centre continues to be an ideal place to celebrate a special occasion whether it be a birthday party, a reunion, a christening or a wedding reception. With extensive off road parking, a sizeable sun terrace overlooking its own grounds it is an ideal setting for children (and adults!) to have fun in a safe environment.

The Centre also lends itself well to exclusive event hire, be it a dinner dance, charity auction or otherwise, including those with a fund raising cause. In the warmer/lighter months, you may wish to build in an outdoor element into the Event by adding a marquee, gazebo or other outside feature.

## Organisation and Planning

We are happy to assist in whatever way you choose with regard to your event. We can offer a full service whereby you let us take care of all the arrangements or, alternatively, we are happy to let you take care of the finer details. We will always be available for consultation and to make suggestions along the way. We are also able to offer an outside catering service for events at local venues.

## Food & Drink

Enjoy a celebratory drink and good conversation by the log-fire in the comfort of our bar.

Award winning chef, Gareth Speight is happy to talk to organisers about their specific catering and dietary requirements, whether it be dressed buffet style, a more traditional sit down meal, champagne reception or any alternative ideas.

## Entertainment

We can assist in sourcing and arranging your entertainment requirements, ranging from live music through to children's party entertainers.

## Accommodation

We would be pleased to provide bed and breakfast as part of your package at affordable prices.

Prices for events are on the basis of your exclusive use of the premises and are quoted for depending upon your specific requirements. We think you will be pleasantly surprised with our prices compared with other venues in the Lake District.
